HALIFAX 

NOVA SCOTIA

SECTION SNAPSHOT

Halifax is strategically located between major North American, European, and Asian markets, making it an excellent location for moving goods in and out of North America and traveling to and from international destinations—by road, rail, air, and sea.

Short flight to New York, Boston, or Toronto

2 hours closer by air to Europe than any other major mainland North American destination

Transload hub for imports destined for the Midwest and Central Canada

1 day by sea to New York and Boston and 1,500 nautical miles closer to India via the Suez Canal than any North American west coast port

Do business across European, North American, and Caribbean time zones all on the same day
